BATTLE KART

FAMILY

**SHARE MEMORABLE MOMENTS
WITH FAMILY MEMBERS!**

WHAT IS IT ?

BattleKart Family is an entertainment experience designed for all ages, with **adults, teens, and kids** able to engage in the BattleKart universe together. With this dedicated family format, we have adapted our karts for both adults and kids, thus ensuring **comfort** and **safety**, while allowing every member of the family to participate fully in the completion of their experience.

With adults or families, even kids **from 1 year old** can join in on the fun and participate, allowing parents to engage with even the youngest members of their household.

We created this concept to meet one of the most common wishes we hear from visitors: the opportunity to play BattleKart with the littlest family members.

Multi-generational groups can finally share the track, experience engaging **interactive game modes together**, and share memorable moments with family members at this age all within a **safe** and **inclusive** environment.
